Notes:

The North Carolina quota reflects a re-adjustment to comply with a court order setting aside that State's 1997 overage (62 CFR 56867, October 23, 1998). The North Carolina 1998 adjusted quota is 3,049,734 lb (1,383,270 kg).

Numbers in parentheses are negative.

The total quota reflects pounds available for landings in states with quota. States with negative allocations have zero (0) pounds of quota available.

These data are the best available to NMFS when this report was compiled. Data are supplied to NMFS by dealers and/or state agencies and may be preliminary.

The following summary is updated as information is received, and may not reflect recent state actions. Readers are urged to contact the appropriate state agency for further information.
